QB hurries per game:	4

Coach's Comments:

"Landon's work ethic in the classroom has translated to the football field, enabling him to play both offensively and defensively. Landon has a great motor, he just never stops hustling and plays the game at 100%. He leads through action more than words. He is a great leader not only on the football field but in the classroom as well."

Coach Darin Beierle

From The Athlete:

I am the starting Tight End and Defensive End for Riverton High School. I love the game of Football. I am a very hard worker. I am a captain for our team. As a junior I was the Defensive Line MVP for National Underclassmen, and I also rank in the top 25 athlete for the Nike Combine.

Just recently I have been awarded 1st team all- region as well as 1st team Allstate.
